

IN SYNC WITH THE CITY

THE NEW NISSAN MICRA

# WELCOME TO THE NEW NISSAN MICRA

Packed with class-leading features, the new Nissan Micra makes driving around town much more simple and stress-free.

Thoughtful engineering and design means you can start saving on everyday motoring costs as soon as you get on the road, with improved fuel-efficiency, lower road tax and cheaper insurance.

User-friendly technology helps you find the best route, manoeuvre with ease and park without a problem, while clever storage makes the most of all interior space – for such a small car, you'll be pleasantly surprised by just how roomy it is.

The new Nissan Micra really does have everything you need and with no hidden costs, it's simply outstanding value for money. Take a closer look at all its great features and see what else you'll discover.

- Rain sensing wipers

## NISSAN CITY CARS

We see SHIFT\_ as an invitation. To challenge whatever feels too familiar. To open your mind to the unfamiliar. To ask the question no-one else is asking. And to find answers no-one else can. At Nissan, we do this every day. And it shapes everything we do. The result is a line up of vehicles that represents a pure, uncompromising shift from the ordinary.
